

Ambitious learners who are creative enterprising contributors, healthy, confident individuals and knowledgeable principled citizens.

Mathematics and Numeracy

- Calculate various food miles of various foods.
- Analyse food waste data - tables and graphs.
- Making accurate measurements and calculating the cost of food and ingredients.
- Compare weights of different animals.

Language and Literacy

- Write a diary of a day in the life of a farmer.
- Write a persuasive speech about food waste.
- Create a fact file about food e.g. where does it come from, food miles, food waste etc.

Humanities

- Label the countries that various food travel from and calculate their food miles.
- Design a map for an imaginary farm. Think about where to put the animals and buildings. How has farming changed over time? Did farmers use tractors many years ago? How did they milk cows and plough the land? Look for pictures online
- Research and compare diets during different periods of time.

Expressive Arts

- Sketching pictures of farm animals.
- Study the work of Aneurin Jones and imitate some examples of his work.
- Develop basic food technology skills and follow recipes to create e.g. apple crumbles.
- Compose a piece of music based on fruit and vegetables.

Information for year 5 and 6 parents Spring 2022

From gate to plate

Ysgol Bro Gwydir

@Ysgolbrogwydir

Important Information

Send your child to school promptly aiming for 100% attendance.

Read with your child every day and sign the reading record.
If you wish to discuss any matter, please contact the school on 01492 640342.

Science and Technology

- Where does food waste go?
- What is compost?
- What happens in landfill sites?
- What effects the rate of food being spoiled?

Health and Well-being

- Feel good Friday and adventure Time
- Swimming lessons
- Circle time - opportunity to share feelings and discuss any worries
- Develop fitness
- Yoga sessions

Dysgwyr uchelgeisiol sy'n gyfranwyr mentrus creadigol, yn unigolion iach, hyderus ac yn ddinasyddion egwyddorol gwybodus.

Mathemateg a Rhifedd

- Mesur cyfradd curiad calon cyn ac ar ol gwahanol ymarferion corff.
- Dadansoddi data gwastraff bwyd - tablau a graffiau
- Gwneud mesuriadau cywir manwl a chyfrifio costau bwydydd a chynhwysion
- Cymharu pwysau anifeiliaid.

Iaith a Llythrennedd

- Ysgrifennu dyddiadur diwrnod ym mywyd ffermwr
- Ysgrifennu perswadiol - araith yn erbyn gwastraff bwyd.
- Creu ffeil ffeithiau am fwyd e e o ble daw gwahanol fwydydd? Pa mor bell mae bwyd yn teithio? Faint o wastraff bwyd sydd?

Dyniaethau

- Labelu gwledydd daw gwahanol fwydydd ohonno a chyfrifo eu pellter teithio.
- Dylunio map o fferm ddychmygol. Meddylwch ble i osod yr anifeiliaid a'r adeiladau. Sut mae ffermio wedi newid dros amser? A oedd ffermwyr yn defnyddio tractorau amser maith?
- Ymchwilio a chymharu deiet cyfnodau amser gwahanol.

Celfyddydau Mynegiannol

- Sgetio lluniau anifeiliaid y fferm.
- Astudio gwaith Aneurin Jones ac efelychu esiamplau o'i waith.
- Datblygu sgiliau technoleg bwyd sylfaenol a dilyn ryseitiau e e coginio crymbl afal.
- Cyfansoddi darn o gerddoriaeth yn ymwneud a ffrwythau a llysiau.

Gwybodaeth i Rieni

Bl 5a 6

Tymor y Gwanwyn 2022

O'r giat i'r plat

Ysgol Bro Gwydir

@Ysgolbrogwydir

Gwybodaeth Bwysig

Anfonwch eich plentyn i'r Ysgol yn brydlon gan anelu at bresenoldeb o 100%. Darllenwch gyda'ch plentyn bob dydd gan arwyddo'r Cofnod Darllen.

Os dymunwch drafod unrhyw fater, cysylltwch â'r Ysgol ar 01492 640342.

Gwyddoniaeth a Thechnoleg

- Ble mae gwastraff bwyd yn mynd?
- Beth yw compost?
- Beth sydd yn digwydd mewn safle tirlenwi?
- Beth sydd yn effeithio ar gyfradd pydru bwyd?

Iechyd a Lles

- Gwener Gwerth y Byd ac Amser Antur
- Gwersi nofio
- Amser cylch - cyfle i rannu teimladau a sgwrsio am bryderon
- Datblygu ffitrwydd
- Sesiynau Ioga
